Track Layout

Floor Space: 3.61 x 6.56 Feet
 1.1 x 2.0 Metres

Track Length: 31 Feet
 9.5 Metres

KEY

▷ ◁ Low Bridge Support
 ▶ ◀ High Bridge Support

Attach guard rails to outside of each curve section by placing the guard rail tab under the track, then snapping up into place.

Some AFX cars which are sold separately are not compatible with the Thunderloop Chaser. Some previously sold AFX cars such as Turbo type cars may not be able to go through the Thunderloop if the Tri-Powerpack is set to "Beginner" level. For such cars you may need to use "Intermediate" or "Expert" level.
