

A hand holding a clapperboard with the text "AURORA AFX 1982" and a row of cars below.

A hand holding a clapperboard with the text "AURORA AFX 1982". Below the clapperboard, a row of five cars is shown: a blue and white car, a gold car, a yellow truck, a white car with blue and red stripes, and a red car with "CANDY" and "3" on it. The background features a large "AFX" logo in orange and red.

BIG RYDER™

HO SCALE HIGHWAY TRUCKING SYSTEM

Backed by a multi-million dollar T.V. advertising budget, Ryder® is the most recognized name in the trucking industry. And in 1982, it will become the most recognized name in model trucking...with the introduction of AFX BIG RYDERS™... BIG RYDERS™, driven by modern day cowboys who race from coast to coast... BIG RYDERS™, that light up the night with their blazing headlights.

And...there is no end to the fun, because Big Ryders™ Highway track can be combined with any existing or future AFX® track to build trucking empires without limit.

BIG RYDER™...not a toy for a limited age group...but a total system...A SYSTEM FOR ALL AGES.
