All AFX cars packed 24 per carton. Weight: 9 lbs.

AFX sets new standards for styling, design and performance in HO model motoring.

Unmatched realism and authentic body detailing. A fantastic lineup of Internationals, Can-Am, and Trans-Am racing champions. Plus top stock cars, drag racers and classic street machines.

Breathaking speed. Unbelievable control. High-performance cars that can't be touched by anything in sight.

All with the exclusive AFX self-lubricating Nylonon chassis and a low, road-hugging center of gravity. Plus AFX super-fat sponge race tires, spring-balanced pickup shoes and a deep slot guide pin that makes for faster-than-ever cornering, better control and handling—lap after lap.
