Data were compiled from many sources including internet searches and AFX Racemasters. The data presented here are correct to the best of my knowledge, but there are no guarantees all of it is accurate. Not all releases may be listed. There may also be cars released in a different country (Japan, Australia, etc.) that show up for sale occasionally. These may not be listed here. Second Column Codes: G= GT type cars, N = Stock cars, I = Indy type cars, S = Street cars.
