** Cars Released in Australia (partial list)**

Last Updated: 7/26/2016

AUS #	Name	Color	No.	Catalog	Other Stock #'s
These cars were listed in the 2008 catalogue of Aurora AFX cars from Toy Traders (Sales) Pyt Ltd, Australia and from the 1996 and 1996/1997 Tomy/Aurora/AFX catalogues. Different catalogs had different numbers for the same car! I have no idea how complete this list is.
